

Brickhouse sits beside River Selaru & without removing any large trees, to allow guests to experience life in nature, surrounded with large forest trees & has direct access to the river via 2 staircases.

The river is shallow to soak your feet at some areas, but does have deep pockets at various sections to submerge your entire body inside as well.

Brickhouse shaded from the sun by being surrounded by huge forest trees. So guests can enjoy the outdoor areas even during a hot sunny afternoon.

The entrance to Brickhouse is via a gentle ramp from the carparking area.

Soak yourself in the cold fresh water of River Selaru. Bring a hot drink from the dispenser and enjoy it with half your body submerged.

The indoor air-conditioned hall is huge, 12m x 7.5m (90 sqm). Table, chairs & sofa can be pushed to the side if guests' need space for indoor activities.

Plenty of space in front of Brickhouse for carparking
